

Unit 2

GrapeSEED MEMORIES

b...boy!

Can you find a 'b' in this poem?

We love to play with our English Toys!

On my head!

Everyone, point to the teacher!

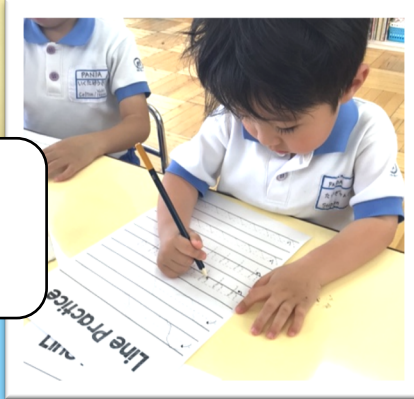

That's right!

Look up! Look up!
The sky is blue!

In the afternoon, sometimes we practice using our pencils.

In Unit 2, we moved around a lot. We crawled like many different animals. We rocked with a friend and fell down on the floor!
