

Unit 6

GrapeSEED MEMORIES

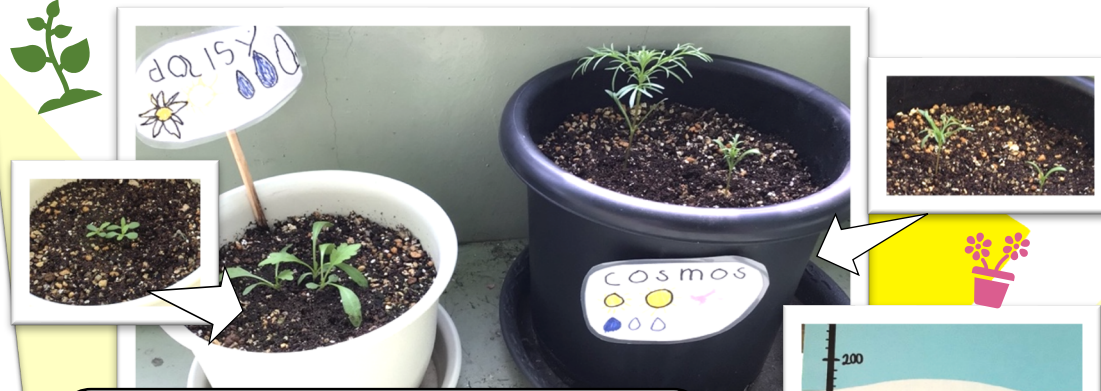

Look everyone is sitting so nicely!

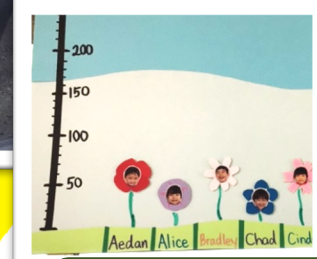

Everyone tries hard with the writer!

During Afternoon English, Swallow class learned about growing flowers in English. We planted daisies and cosmos. Look at how they grew!

Swallow class's REP chart is flower themed, too!

Eagle class's REP chart theme is 'flying creatures!'

I wonder what's next?

We did a CVC Bingo in our Afternoon English! Some friends came up to the front and picked the next CVC!

Let's try this song in a big circle! Good job, everyone!

Come on! Let's all hiccup! Hiccup!
